REQUEST FOR CORRECTED FILING RECEIPT

It is respectfully requested that the Patent and Trademark Office records for the above-identified application be changed to correct the spelling of one applicant's name in the application. The Patent and Trademark Office records, as evidenced by the Official Filing receipt, currently show the first named applicant incorrectly: "J Michael Palmowski". The correct spelling is "Michael J. Palmowski." Copies of the official filing receipt, the transmittal letter filed December 13, 2005, the PCT bibliographic cover sheet, and an Application Data Sheet are enclosed herewith.

It is further requested that a new official filing receipt be issued when the Patent and Trademark Office records have been corrected.

Respectfully submitted,
DANN, DORFMAN, HERRELL AND SKILLMAN
A Professional Corporation
